

SUMMER ADVENTURES IN LEARNING

Summer Enrichment, Reading, Math & Fun 3rd, 4th & 5th Grade

Monday through Friday, from 8:30 a.m.—1:00 p.m.
June 13– July 22, 2016

The philosophy of this program is that success in school is essential to reaching a child's potential in today's world. No one skill is more important in achieving that success than reading, and the path to reading and understanding is to discover and believe in the fun and adventure that comes from reading. The goal of the program is for every child who takes part to be fully prepared as an excellent reader when they return to school at the end of summer.

SUMMER LEARNING SITE:

Visionary Ministries
1829 Dartmouth Avenue
Bessemer, AL 35020

By attending the Summer Learning Program, Better Basics will provide the academic curriculum for reading and math. Your child will also enjoy enrichment through special presentations and/or the adventures of weekly field trips.

Your child will start the new school year ready to learn!
